RE: Application for Pre-Certification/Continuing Education Program Provider

Ryan,

The application submitted by AYPO, a Pre-Certification/Continuing Education Program Provider was reviewed and approved by the Oregon Dealer Advisory Committee (ODAC) Education subcommittee and referred to the full ODAC for a vote on October 26, 2017. The full ODAC voted to approve both the application as submitted, as well as the program renewal.

Dealer Education programs are required to be reviewed by ODAC every two years for re-approval. You may submit your application and education materials for both the Pre-Certification and Continuing Educations programs for re-approval at the same time, in time for consideration at the October 2019 ODAC meeting.

Congratulations on your appointment as a Pre-Certification/Continuing Education Program Provider!

Please feel free to contact me if I can be of further assistance,

Sincerely,

Becky Ortiz
